Mission Shakti

It is a scheme in mission mode aimed at strengthening interventions for women safety, security & empowerment.

It seeks to realise the Government's commitment for women-led development by addressing issues affecting women on a life-cycle continuum basis and by making them equal partners in nation-building through convergence and citizen-ownership.

Mission Shakti has two sub-schemes - 'Sambal' and 'Samarthya'. In the Sambal subscheme, which is for safety and security of women, the existing scheme of One Stop Centre (OSC), Women Helpline (WHL), Beti Bachao Beti Padhao (BBBP) have been included with modifications and a new component of Nari Adalat - women collective has been added

To improve accessibility to various government services available for women at various levels

04

Capacity building and training of functionaries / duty bearers under various schemes / Legislations

Our Services

The scheme provides financial support for service delivery and required manpower to ensure immediate and long-term care for targeted women.

The components under Mission Shakti have the broad objectives of either protecting or assisting women who are victims of violence or in difficult circumstances or for empowering women. The objectives of the Mission are as under:

Emergency/ Immediate services & short-term care

Putting in place mechanisms for providing a continuum of support and care for women affected by violence and women in distress through dedicated 24 hours helpline by a national toll-free number and integrated services such as temporary shelter, legal aid, psycho-social counselling.

01

Institutional Care for long term support

02

The long-term institutional care component, inter alia, includes taking care of the needs of women right from the conception stage till the time they need such care and support because of their physical, financial and sociological status due to various factors.
